Friday afternoon the Shore Line half of the first although Simcox man-team lost as usual to Taftville. It aged to almost reach third. Frechette team lost as usual to Taftville. It was the same story as the other games, good hitting but poor fielding. Simcox who started the game for the Carmen had plenty of stuff but could not last. Purple who succeeded him was steadier but failed to receive any support worth mentioning. Flynn on first base was the biggest entrant into the error column with four bad plays. He redeemed himself however by poling ing out the longest hit made on the field since the days of Denny Murphy, In the second inning Jack sent at line drive between short and third and went out into the road. He got three bases on it.

Taftville uncovered a new twirler in the form of Desmarais, who while he was hit freely pitched good steadly ball. He held the Shore Line men to six safe hits, Mills was the batting star of the Taftville team with two hits out of five times at bat. Taftville gish sacks.
